

CPIM in Six Months! New Schedule!!!!

How many times have you thought about studying for your CPIM certification but found that the time to accomplish this important task in your professional development would take from a year and a half to two years? How many of you need to improve your personnel marketability so that you can move ahead in these exciting times? Several of your professional friends have participated in the Fast Track program and enjoyed a high level of success.

These classes will be held in the training facilities to be announced.

Mid-Florida APICS Chapter is providing this exciting way to accomplish your dreams by offering a concentrated and accelerated CPIM education program starting in January. The fees and requirements for self provided texts are the same as those for the evening programs. The only difference is that this program is concentrated to allow you to complete your CPIM program within only a few months. The details follow.

Basics of Supply Chain Management will be offered on two consecutive Saturdays from 8 AM to 5 PM starting **February 13 & 27, 2010**. The fee for this course is \$400.00 per individual per module with the individual providing the texts and exam fees. Contact Jim Pullin at 407-644-2156 with questions, to register and obtain additional information.

Don't delay act now.

The remaining modules for the CPIM will be offered in the following sequence and tentative schedule on consecutive Saturdays.

- Master Planning of Resources – **March 20 & 27, 2010**
- Detailed Scheduling and Planning – **April 17 & 24, 2010**
- Execution and Control – **May 15 & 22, 2010**
- Strategic Management of Resources – **June 19 & 26, 2010.**

Classes will be held at TRACSTAR Systems, 1551 College Park Business Road, Orlando 32804.

This schedule will provide an interval between the classes for individuals to take the tests while the material is fresh in their minds. Testing arrangements are to be made by each individual, as their schedule will permit. Information in this can be obtained by contacting Jim Pullin at the above phone number.

For those who are certified, remember that you have a certification maintenance program to follow. Attending these classes will meet some of the hours required for the maintenance program.
