

Are you interested in obtaining your CPIM certification, quickly? Quality Management Solutions offers a **FAST TRAK Accelerated CPIM** course. Consider the following:

- The course is 64 hours in length.
- Each session will be 4 hours in duration one night per week.
- Take the course at your PC; no need to travel to course facility.
- The entire course will be 100% instructor led.
- Upon completion of the course, you will be prepared to sit for **ALL 5 EXAMS**.
- Proposed dates: Start Feb. 17, 2011 and finish by June 30, 2011. Consideration will be given to modifying the course dates to fit the participant's schedules.
- The proposed times for the sessions will be 6:00 PM to 10:00 PM (Eastern Time).
- All the necessary material is included in the price.
- The material provides a thorough understanding of all the exam content.
- These are NOT review courses; the material will be introduced from concept to application to help those with limited experience.
- The course price is \$3,500. If registered by Feb. 3 a \$250 discount is offered.
- Installment payments are possible: A 50% deposit is due upon registration, 25% is due at the midway point and the balance is due at the end of the course.
- A computer headset will be provided for all participants.
- Limited make-up sessions will be considered.
- This is a "**Fast Trak Accelerated CPIM**" course designed to allow a candidate to obtain the CPIM certification in approximately four months. The average time to finish the certification process is normally 18 to 24 months.
- The Exam cost is **NOT** included in the course price. Exam vouchers can be purchased and bundled with the course payment.
- The participant's are responsible for scheduling their exams directly with the exam provider, Pearson Vue. The exams are taken via computer based testing (CBT).
- Each exam cost \$145 for APICS members and \$175 for non-members. There are five exams in total. These are: Basics of Supply Chain Management (BSCM), Master Planning of Resources (MPR), Detailed Scheduling and Planning (DSP), Execution and Control of Operations (ECO), and Strategic Management of Resources (SMR).
- Once you pass the 5th exam you are certified, CPIM. You can take the exams in any order you wish.
