

Mid Florida APICS

Summer and Fall Principles Series

Looking to hone your skills or earn maintenance points for your certifications? The Mid Florida Chapter of APICS is proud to offer a series of Principles classes. In coordination with Saint Leo University, classes will be held from 6-9pm at the Maitland campus. Classes are limited to 20 students on a first-come, first-served basis.

Classes will be taught by seasoned Instructor, Mark Bolotte. Mark brings more than 20 years of experience as a senior executive and corporate trainer. He is currently the COO for Quality One Wireless. Don't miss an opportunity to learn from a true practitioner who practices what he preaches.

The schedule:

July 17th	PIM Lean Inventory - Theory and Practice
August 21 st	PIM Fundamentals of Inventory Management
September 18 th	PIM Additional Inventory Replenishment Techniques and Inventory Performance
October 9 th	PMM Lean Production Management

Fees:

Students:	\$25
Members	\$75
Non-Members	\$100
